

envita[®] SC

Systemic Season-long Nitrogen Fixation

Azotic's Envita[®] SC contains a food-grade bacteria that colonizes inside plant cells and fixes atmospheric nitrogen to enhance productivity.

Features

- Soluble concentrated liquid
- Systemic colonization, multiplies inside the plant as it grows
- Forms a symbiotic relationship with the host plant to provide season-long activity
- Multiple application methods

Untreated

envita

Functions & Benefits

- Nitrogen in the right place, at the right time
 - Enters plants quickly and fixes nitrogen directly in the plant cell; when and where it is needed
 - Fills the gap between available nitrogen and plant demand for nitrogen
- Fits your farm
 - Foliar or in-furrow application methods
 - Low use rate, compatible with crop protection tank mixes partners
- Proven, consistent results
 - >4 years of global trial data on multiple crops
 - Positive yield response across a wide variety of crops

ALFALFA

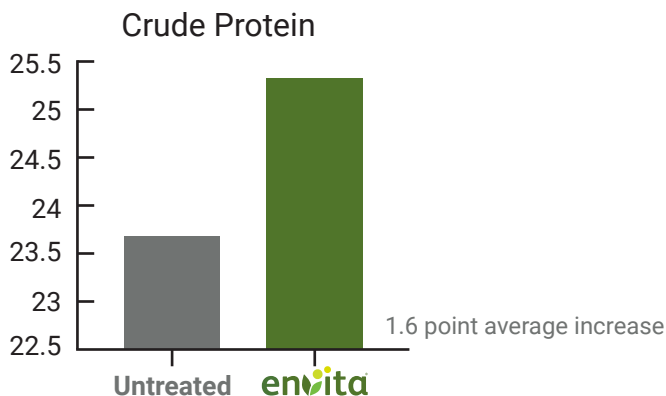

APPLICATION RATE

0.8 ounces/acre
1 quart covers 40 acres

PACKAGING

4 x 1 qt/case
Store in a cool dry place
Do not freeze

Envita Differentiators

- Naturally occurring bacteria
- Enters plants via the roots or leaves
- Lives inside the plant, including inside the plant cells, both below and above ground
- Gd is not inhibited by nitrates
- Works in conjunction with rhizobia, not in opposition
- Supported by scientific publications

ALFALFA

Application

- Preferred timing is 2 - 3 inches of growth in the spring or after first cutting
- Minimum 10 gpa total volume - ground applied
- Add last, agitate and spray
- Secondary timing (if preferred missed) is 2 - 3 inches of regrowth after any cutting
- Can be tank mixed with herbicides, insecticides or fungicides

What to Look for in Crop Response

- Enhanced root system: more fine roots
- Overall improved plant vigor
- Drought stress tolerance
 - N is linked to water use efficiency
- Increased harvest quality and yield
- Better leaf retention
- 1 - 3 points better crude protein
- 15 - 25 points better RFV

We guarantee that Envita will work through foliar or in-furrow applications, consistently delivering a strong return on investment. Our Performance Guarantee Program provides a risk-free way to try Envita. *Conditions apply.
